SCIENZA E FEDE**

Stanley L. Jaki, was a Benedictine priest and a Distinguished University Professor of Physics at Seton Hall University, South Orange, New Jersey. With doctorates in theology and physics, for over forty years he specialized in the history and philosophy of science. The author of over fifty books and about four hundred articles, he served as Gifford Lecturer at the University of Edinburgh and as Fremantle Lecturer at Balliol College, Oxford. He lectured at major universities in the United States, Europe, and Australia.

He was an honorary member of the Pontifical Academy of Sciences, membre correspondant of the Académie Nationale des Sciences, Belles-Lettres et Arts of Bordeaux, and the recipient of the Lecomte du Nouy Prize for 1970 and of the Templeton Prize for 1987. www.sljaki.com; www.realviewbooks.com
